

Amendment #1 to RFP-NIH-NIAID-DAIT-03-22

"Primary Immunodeficiency Disease (PID) Consortium"

Amendment to Solicitation No.:	RFP-NIH-NIAID-DAIT-03-22
Amendment No.:	1
Amendment Date:	October 16, 2002
RFP Issue Date:	August 13, 2002
Issued By:	Jacqueline C. Holden Senior Contracting Officer NIH/NIAID Contract Management Branch 6700-B Rockledge Drive Room 2230, MSC 7612 Bethesda, Maryland 20892-7612
Point of Contact:	Erin Goldstein, Contract Specialist
Name and Address of Offeror:	To All Offerors

The above referenced solicitation is hereby amended to revise section L. **Instructions, Conditions, and Notices to Offerors**, paragraph 1.e **Estimate of Effort** as set forth on Page 37 as follows:

e. Estimate of Effort

It is expected that a completion type contract will be awarded as a result of this RFP. To assist you in the preparation of your proposal, the Government considers the effort to be approximately as follows:

PART A (Base Period of Contract): 6,032 labor hours per year (~2.9 FTEs/year)
PART B (Option): 2,820 labor hours per year (~1.4 FTEs/year)

This information is furnished for the offeror's information only and is not to be considered restrictive for proposal purposes.

- Except as provided herein, all terms and conditions of this RFP remain unchanged and in full force and effect.
- The hour and date specified for receipt of offers REMAINS: **January 06, 2003 4:00 PM, EST**
- Offerors must acknowledge receipt of this Amendment #1, on each copy of the offer submitted.

Failure to receive your acknowledgment of this amendment may result in the rejection of your offer.
